

Online Piercing Studio Directory

We are creating an online directory of Body Piercing Studios in the UK. This will act as a resource for our visitors to find piercing studios around the country. We would like to list your studio in our directory and need some initial details about your studio to make an entry in our database. Once we have created an entry you will be able to update it yourself online or alternatively you can always contact us to assist you. We hope this service will be of great benefit to the piercing community and welcome your feedback and suggestions. **Please complete this form and fax to 020 8424 9000.**
